

## PILLAR 1 Ecosystem

- **Goal 1** Strengthen the continuum of early childhood services through widespread collaboration across state and local partners.
- **Goal 2** Connect families to the right service at the right time through comprehensive networks of resources and programs.
- **Goal 3** Measure impact across the full continuum of early childhood services over time and use the data to make changes that reduce disparities and improve outcomes for children.
- **Goal 4** Promote agreements between public and private sectors to expand early childhood initiatives.
- **Goal 5** Support policies and initiatives that increase capacity, enhance quality, improve access to services, and contribute to economic security for families.
- **Goal 6** Strengthen existing tools and create new resources to ensure providers offer families seamless transitions in support of their child's interests, healthy social-emotional development, and academic potential.

## PILLAR 2 Early Childhood Workforce & Environments

- **Goal 1** Support strategies to increase the overall compensation of early childhood professionals and improve the financial sustainability of programs.
- **Goal 2** Build workforce capacity to provide high-quality early childhood services.
- **Goal 3** Support early childhood professionals to help them reach their professional development goals.
- **Goal 4** Support high quality programming and resources for expecting families and children in all birth to age 5 environments so they can reach appropriate developmental goals.

## PILLAR 3 Experiences of Children & Families

- **Goal 1** Engage families in opportunities to connect and learn while encouraging family input and acting on insights from lived experience.
- **Goal 2** Build awareness of the services available to help families make informed decisions in support of their child's interests, healthy development, and learning.
- **Goal 3** Improve child well-being by increasing access to the full range of services that prioritize safe, nurturing parent/caregiver relationships and strong families.
- **Goal 4** Prioritize the mental health of children and families by offering accessible, multi-generational services and opportunities for connection in supportive environments.
- **Goal 5** Ensure families experience respectful and responsive interactions across the full continuum of early childhood services.
